Ariyur, Puducherry - 605 102

- MOU creation and activity of calendar
- Student Support and scholarship
- Institutional Distinctiveness

The Meeting started with a warm greeting by the Principal, Dr. Prof.Malliga.M. The objectives of the present meeting were stated by the IQAC coordinator. The meeting started at 10.30 am with all the members in hybrid mode.

The IQAC coordinator commenced the meeting with a discussion on improving learning outcomes for slow learners. Peer group teaching was identified as an effective strategy by the members to support slow learners. Advanced learners will be assigned to a group of slow learners for the teaching and learning process. The faculty will oversee the process and assess its impact regularly. Then the IQAC Coordinator emphasized the importance of cross-disciplinary knowledge highlighted, and it was decided to organize interdisciplinary seminars involving faculty from nursing, medicine, pharmacy, and allied health departments. The forthcoming seminars are to be planned by all the five departments. The topics suggested in the meeting were Down syndrome, OSCE methods, Cancer Care, Care of Diabetes patients, Genetic disorders etc.

A proposal for seed funding to support faculty research projects was discussed by the IQAC Coordinator. Representatives from the stakeholder reinforced the allocation of a research fund of Rs. 50,000 to each approved project, with an application process for faculty members. The Research Committee was instructed to set up the guidelines and call for proposals regularly. Then the IQAC coordinator started the discussion regarding the need to develop an entrepreneurial mindset among the faculty members. An Entrepreneurship Development Programme (EDP) will be conducted as part of the Faculty Development Programme (FDP) in collaboration with local business development agencies. The head of the institution informed that there is an opportunity of utilizing an Entrepreneurship development programme from the National Commission for women. The same was accepted by everyone to get implemented.

Next the IQAC coordinator opened up the discussion on conducting a workshop for faculty on developing and implementing OSCE . The head of the institution proposes a Tamilnadu Nurses

and Midwives council grant workshop for OSCE. The members accepted the same and it was decided to do a workshop on OSCE of advanced nursing procedures.

Revised B.Sc Nursing curriculum with mandatory and elective skill modules was discussed to provide students with comprehensive, hands-on training. The cell decided to introduce skill-based electives in addition to the mandatory modules for clinical skills and patient care. These electives will be designed to give students the opportunity to specialize in various areas of nursing. The IQAC Coordinator initiated the need to maintain proper documentation for the upcoming ISO audit. The head of the institution entailed that, a team will be assigned to prepare and organize all necessary documents to ensure a smooth audit process.

The importance of collaboration with other institutions and organizations was emphasized. The college will initiate the process of creating MOUs with at least three institutions and research bodies to facilitate student internships, faculty exchange, and joint research projects. It was decided in the forum to have new MOUs with Transgender society, Palliative care organizations and organizations concerned with development of employability skills and personality. The MOU in charges were instructed to carry out the activities as per activity calendar regularly.

The issue of enhancing student support and providing more scholarship opportunities was discussed. The college will increase the scholarship pool for meritorious and financially disadvantaged students. TNAI scholarship process also had been in process for the advantage of the students. The meeting concluded with a discussion on highlighting the college's unique features and strengths. The head of the institution and the chief Operating Officer advocated on Kriya healing centre to palliative and rehabilitative care as institutional distinctiveness. This was accepted by everyone in the meeting. The head of the institution asked for any other queries and discussion and the meeting ended with a vote of thanks by the IQAC coordinator.
