OSCE / OSPE

Indirani College of Nursing follows OSCE / OSPE for teaching and evaluating of practical skills among students and uses this system in examination process for evaluation. During Covid 19 pandemic situations OSCE / OSPE is used for conducting practical examinations of internal assessment and university practical examination.

OSCE / OSPE are used for improving student's practical skills of the subjects of nursing foundation, medical surgical nursing, child health nursing, mental health nursing, community health nursing, obstetrics and gynaecological nursing.

The complete OSCE / OSPE assess professional behavior, communication, and steps of allotted procedure. It can identify students who are weak in performing practical skills early on in their programme, with a raised awareness of this, and the teachers help the students by conducting extra sessions and can be directed to resources and assistance in practice.
