legal implications in nursing profession. The experts suggested displaying laws common to nursing profession and human values in the notice boards and classrooms. The next objective was discussed on value added courses decision for the forthcoming year. The head of institution discussed and gave suggestions on the courses such as BCLS, Clinical nutrition and computer applications. The experts recommended on the same and it was accepted by everyone.

And the ISO Coordinator opened the concepts for the methodologies for outcome based education and the experts advocated on the faculties sensitization on outcome formation of each subject. Next the head of the institution stated on the project based learning. The experts endorsed on inclusion of mini projects as per need of the curriculum and best projects can be awarded. Then the ISO coordinator opened the concept of obtaining feedback from the stakeholders. Here the external expert suggested having feedback exclusively for curriculum from all stake holders. Then finally the objective of research formats revision and standardization was discussed. The experts suggested on the formats formation to suit all the designs of the research studies. The meeting was ended with warm gratitude by the IQAC coordinator. The meeting ended at 12.30 pm.
